

## NON-INSTRUCTIONAL OPERATIONS

### Insurance, Insurance Bidding, and Inventory

3505

The board of education shall be responsible for approving plans for carrying insurance in all school buildings, including contents, boilers and machinery, and on all school vehicles and other property under control of the board of education, or title to which is vested in the board of education, except as exceptions may be authorized under regulations of the state board of education. The board of education is authorized to provide its members with hospitalization, medical, surgical, accident, sickness, or term life insurance coverage or any one or more of such coverage. The board may require the staff to pay at staff expense the premium for some insurance coverage. The board of education may also purchase liability and errors and omissions insurance, when deemed feasible. Refer to AR-3505, Insurance and Bond Coverage.

To assist in risk management assessment and budget planning, up-to-date inventories on major property items will be kept on file in the office of the superintendent of schools.
