

Work On Inclement Weather Days

4035

When school is canceled for student instruction because of inclement weather, unless the superintendent of schools directs otherwise, the following personnel will be expected to report for work: superintendent, high school principal, secretaries, custodians, and maintenance staff. If school is canceled during the day because of inclement weather, classified and certified personnel not listed above may be released after students have been excused or accounted for.

Classified and certified personnel who miss work due to inclement weather, when school is in session will not be paid for the time missed.

If classes are not held for an extended period of time and some students request to work on school projects or activities in spite of the inclement weather, high school principal will arrange for sponsors to be present to supervise the students. Under no circumstances will sponsors hold organized activity practice or request some students to be in attendance if school is not in session.
