

**Full Educational Opportunity Goal**

**6505.3**

Gage County School District No. 34 has a goal of providing full educational opportunity for all children with disabilities consistent with the State's full educational opportunity goal.

PERSON(S) RESPONSIBLE: Administrator, special education director or coordinator, and teachers.

TIMELINE: Ongoing

MATERIALS: Special education procedures and forms. Training and staff development for certified and non-certified staff in the methods of implementation and "best practices" for working with students with disabilities.

METHODS: Procedures and forms are implemented on an individual child basis. Staff development activities will be determined by staff needs, and provided on a yearly schedule,

Legal Reference: §79-1110  
through Special Education Act.
