

Role and Function of the Board Meeting

7315

The meetings of the board of education are basic to the operation of the board. All official actions of the board shall be taken when the board is in formal session.

Since members of the board are unable to function officially as individuals, the board meeting presents an opportunity for the school program to be discussed and appraised and for individual biases and opinions to be aired as the board of education works toward consensus decisions on specific instances. In addition, the meeting provides an appropriate place for items of interest or concern to individual citizens or groups of the school community to be heard and considered.
