

Job Description, Special Education Teacher

AR-4560.13

The special education teacher shall be responsible to and evaluated by the building principal but shall cooperate and work with the staff in performing his or her duties. The job description shall include but will not be limited to the following:

- I. Performing those applicable duties described in the teacher's job description in AR-4560.1.
- II. Must work closely with the administration in developing, supervising, and administering the budget and financial accounting of all reimbursable special education programs.
- III. Assisting in the preparation of reports as they relate to the special education program.
- IV. Assisting in the formulation of philosophy and objectives as they relate to the special education program.
- V. Assisting in the administration and coordination of all special education referrals, diagnostic testing, student placement, and Individual Education Plans (I.E.P.'s).
- VI. Effectively working with other staff members in the coordination of the special education program with over-all educational program of the school district.
- VII. Shall be available for presenting reports to the board of education at the request of the superintendent of schools.
- VIII. Consulting with the building principal in the selection of all classified personnel assigned to his or her program.
- IX. Consulting with the superintendent of schools in the evaluation of those classified personnel assigned to his or her program.
- X. Minimum physical requirements for the position.
